Dimensions:	65 x 65 x 17mm

HeyWiri+ is a Smart WI-FI universal infrared remote control with display for reading time, temperature and humidity detected. Replicates the signal of the original remote control and transforms your old TV or air conditioner into a smart device! Built-in temperature and humidity sensor to create

smart scenarios for energy save. HeyWiri+ works with Google Home and Amazon Alexa; you can ask your voice assistant to change the channel, raise the temperature or turn on the music!

**MANAGE THE REMOTE CONTROL  
WITH THE HEYSMART APP**

**LOOK FOR THE HEYSMART  
LOGO TO RECOGNIZE**
